Today we will leave Paris and head to Normandy. Hotel check-out and coach transfer to Caen, in the Normandy region! We venture north to Normandy in search of rugged beauty and rich history. On the way, you will make a stop at Giverny, little town that inspired Claude Monet. The village and its landscape kept him in residence until his death and it is now a museum dedicated to his home and gardens.

Then we head to the Côte Fleurie (Flowery Coast) to visit the charming coastal village of Honfleur. In Honfleur, enjoy the port vibe and take in many of the picturesque scenes that inspired the Impressionist painters. During your time on the Côte Fleurie enjoy an included lunch in a typical Normandy restaurant.

Transfer to your hotel in Caen.

## Monday 23rd October

Today will be dedicated to D Day so you will be visiting the Caen Memorial museum and the D-Day Landing Beaches. These sites are an incredible opportunity to see first-hand the sites that played a key role in ending World War II. You will learn about the events of D-Day as well as how they fit into a larger historical context, the details of the arrival of the Allied troops, the sacrifices made by the Norman people, and much more.

There will be an included lunch during the day.

Transfer back to your hotel in Caen.

## Tuesday 24th October

Enjoy a day trip to Mont Saint-Michel, one of the most visited places in France that is located outside of Paris and take a tour with a local guide. During your visit, you can admire the atypical geography, depending on the tide, Mont Saint-Michel alternates between island and mainland. You will also visit the abbey, a splendid example of medieval architecture in the area perched atop the mount that gives spectacular views of the bay that surrounds the mount.

## Wednesday 25th October

Today, spend the day in Cancale and surroundings: you will enjoy and discover the view in Cancale and tasting oysters while being in the port. Cancale lies along the coast to the east of Saint-Malo. It is a picturesque fishing port popular with visitors, many of whom are drawn by its reputation as the "oyster capital" of Brittany. Lunch in Cancale. Transfer back to Saint Malo.

## Thursday 26th October

After check-out we will return to Paris. On way we will stop to see the city of Le Mans, known for its motor racing culture and specifically the 24 Hours of Le Mans race! You will catch a glimpse of the city's racetrack on your way to the beautiful old town, which, unlike most of France's old towns, is separate from the rest of the city. It is perched high above the rest of Le Mans and is the home of the awe-inspiring Saint-Julien cathedral. During your short stop, you might have the opportunity to sample the speciality of Le Mans: rillettes! Lunch. On the way to Paris, take a short stop in Chartres.
